**Guidelines on the UGC Post-Doctoral Fellowship Program
(Amended by the Guideline Committee)**

and

Approved at the 164th Full Commission meeting held on 05 March 2023

The essence of higher education is ingrained in the generation of new knowledge. This is particularly relevant to enriching the capacity building of universities to promote education and research at the advanced level. The Post-Doctoral Fellowship Program is universally acknowledged as one of the principal ways of driving advanced research and thereby generating highly skilled professionals in various fields of academic endeavor. The University Grants Commission (UGC) of Bangladesh is an apex body responsible for overseeing the progress of higher education in the country. It remains committed to playing a pivotal role in the furtherance of teaching, learning, research and training. The UGC Post-Doctoral Fellowship Program has been introduced to encourage pragmatic and advanced level research in different fields of Liberal Arts and Humanities, Business Studies, Social Sciences, Agriculture, Basic Sciences, Biological Sciences, Engineering and Technology, Legal Studies and Medicine for contributing to a knowledge-based society which is essential to poise Bangladesh to confront numerous challenges of the 21st century. The present guideline has been prepared with the objective of expanding the Post-Doctoral Fellowship Programme at the UGC.
